A Continuing Education Requirement for Physicians prior to FIRST TIME RENEWAL of licenses

Visit the LSBME Website at www.lsbme.louisiana.gov for information regarding this requirement.

Objectives of Orientation:

Introduce LSBME, its purpose, functions and duties, and statements of position including Louisiana Medical Practice Act.

Provide the latest on federal regulations, DEA and most frequently asked questions by physicians.

Introduce Louisiana State Loan Repayment Program and eligibility requirements for benefits, National Health Service Corporation Loan Repayment Program, and the Louisiana Tax Credit Program for Rural Health Care Providers.

Define what constitutes an "impaired physician" and how to make a referral to the Physicians' Health Program.

Discuss the LSBME's rules for the use of narcotics for the treatment of non-malignant chronic pain.

Ninety-five percent attendance is required for credit. Pagers and cell phones should be turned off during the presentations.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Louisiana State Medical Society through the joint sponsorship of the Louisiana State Medical Society Educational and Research Foundation (LSMS ERF) and the Louisiana State Board of Medical Examiners (LSBME). The LSMS ERF is accredited by the Louisiana State Medical Society to provide continuing medical education for physicians.

The LSMS ERF designates this educational activity for a maximum of 4.5 credit hours in Category 1 of the AMA Physicians' Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

The LSMS ERF fully complies with the legal requirements of the ADA and the rules and regulations thereof. If any participant of this activity is in need of accommodation contact LSBME Continuing Education and Resources, P.O. Box 30250, New Orleans, LA 70190-0250, Fax (504) 568-3176, Phone (504) 568-6820 x 243 or E-mail RSVP@lsbme.org at least two weeks prior to the activity.
